

Tribute to the late Ps. Sudarman De Silva.

The late Pastor Sudarman was a cherished partner of Covenant Presbyterian Church (CPC) for more than 20 years.

He was the pivotal to the setting up on Member Care Network in Sri Lanka for members from our Sri Lankan Ministry.

Despite his various other important assignments, the late Pastor Sudarman and his wife Sister Deepani, labored together to encourage, counsel and help these returnees who sometimes have to face challenges of re-entry to their home country.

When the news of Ps. Sudarman was announced, many expressed their shock and grief of the passing of their "spiritual father". Many remembered him going the extra miles to visit them when they were in need of help or comfort. He was someone whose life literally touched and inspired many of people.

It was such a blessing to have the opportunity to work closely with the late Ps. Sudarman over the last 20 years. Co-labouring to ensure that our work of Mission @ the front door at CPC would not go to waste with every returning member integrated into Christian community in Sri Lanka.

Blessed with skill of a good administrator and organiser, the late Ps, Sudarman has helped to organise the Returnees' Camp, Zonal Meetings and various pastoral visitation for our mission team. Which resulted in the salvation of many of the households and friends of our returnees.

We remember his humility, his passion and his singlemindedness to do the work of our Heavenly Father. His unassuming leadership has left a mark for us to follow. For his reward is great in heaven.

We want to celebrate a life well-lived and a life-well loved. His legacy continues to inspire and guide us as we move forward in faith.

He will be sorely missed by his loving wife, dearest daughter, adorable grand-daughter and many of us from the CPC Sri Lankan Ministry.
